Re: Annual Inspection

Please be advised that our annual building inspection will be commencing next week, starting **Monday February 14, 2005.**

The inspection crew will be reviewing a number of areas, including balconies, around windows, and flashing corners. During the inspection, some areas may require removal of stucco in order to perform a more thorough investigation.

We apologize for any inconvenience the inspection may cause. Should you have any questions regarding this notice, please do not hesitate to call me at 383-9061.

Thanks.
